Target set for Afforestation during 1985-86 and 1986-87

1352. SHRI J. P. GOYAL: Will the PRIME MINISTER be pleased to state:

(a) what is the target set for afforestation during 1985-86 and 1986-87 and to what extent the 1985-86 target is likely to be achieved; and

(b) if so, what are the reasons for the shortfall if any?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI Z. R. ANSARI): (a) and (b) (i) The target for afforestation during 1985-86 was 1.4 Million ha. The achievement up to 31.12.85 has been reported as 1.355 Million hectares. This includes 'notional' area on account of distribution of seedlings. The target is thus substantively achieved.

(ii) The target for 1986-87 had tentatively been set at 3.25 Million ha. However. several States have had difficulties such as severe drought and constraints of financial resources, as a result of which the targets may need to be scaled down.
